0. CONTENT OF THE PACKAGE

LABEL	ILLUSTRATON	QTY	LABEL	ILLUSTRATON	QTY
A		1	F		1
B		1	G		1
C		1	H		1
D	 (M8X25)	4	I		1
E	 (Ø8)	4	J		1

1. PARASOL ASSEMBLY INSTRUCTIONS

Step 1

Insert metal part (B) into metal part (A). Position mechanism (C) to align the holes on the mechanism with the holes on metal parts (A) and (B). Place the washers (E) under the screws (D) and tighten them firmly. Place 4 concrete blocks into each metal cross section (K).

Place decorative plastic lid (F) on the central pole of the parasol (G).

Step 2

Step 3

Place central pole of the parasol (G) on assembled metal cross and tighten firmly with the screw (I). Place handle (H) into the parasol crank opening mechanism.

Step 4

Push the handle (J) upwards into the first level and spread all the ribs gently without using force. Start opening the parasol by turning the handle (H) clockwise. As the canvas spreads, push the handle (J) to the upper levels. After the canvas is fully opened, choose one of the levels to achieve desired canvas angle.

Step 5

Move handle (H) into the rotational adjustment slot and by turning the handle (H) place the canvas into desired position.

2. NOTICES

IMPORTANT NOTICE!

Opening and closing the parasol in any way not specified in these instructions is not recommended. While opening and closing the parasol pay attention to persons and objects in the vicinity.

3. PROTECTION AND SAFETY

- Parasols provide protection from the sun.
- Safe to use in winds up to 7.9 m/s wind speed. Using the parasol beyond the above mentioned wind speed is not completely safe and it needs to be closed.

It is mandatory to put 4 concrete blocks per metal cross.
Size of each concrete block - 40cmx40cm (maximum height 5cm).
The recommended weight is minimum 20kg per 1 concrete block.

4. WARRANTY

Warranty does not cover any mechanical, abrasive and chemical abuse or any other damages caused by improper warehousing and distribution, improper cleaning and handling or similar improper activities that could result in damaging the parasol or parasol cover or any of their parts.
